daniels-mbp:train-app Stingray$ git commit -m"updated javascript"
[master c0e02cf] updated javascript
 Committer: Daniel Milham <Stingray@daniels-mbp.fios-router.home>
Your name and email address were configured automatically based
on your username and hostname. Please check that they are accurate.
You can suppress this message by setting them explicitly:

    git config --global user.name "Your Name"
    git config --global user.email you@example.com

After doing this, you may fix the identity used for this commit with:

    git commit --amend --reset-author
